Tuesday July 29	Morning	Organizing the sessions
		Working Sessions
	Lunch	Special Guest Speaker
	Afternoon	Working Sessions
Wednesday, July 30	Evening	Optional Social Outings and Dinners
	Morning	Working Sessions
	Lunch	Session Reports
	Afternoon	Optional Tour: Lean Operations at Caterpillar, Inc

Location:

West Lafayette campus of **Purdue University**
 Purdue is located 65 miles northwest of Indianapolis and 120 miles southeast of Chicago (Midway Airport – recommended over O'Hare) and is easily accessible off of Interstate 65.

Hotel Information

There are a number of hotel options in the Lafayette / West Lafayette area, with most national chains represented. It is strongly recommended that attendees consider lodging at the Purdue Union Hotel (<http://www.union.purdue.edu>) with rates from \$96 per night. The Union Hotel will be within walking distance of all workshop events.

Registration

There is no registration fee for this conference. Attendees are responsible for their own travel expenses.

INVITATION TO JOIN US

The collaboration of academia, industry and government has produced educational materials that are robust, innovative, and proven to be adaptable to a wide variety of learners and scenarios.

We hope you will join our efforts as we convene our summer workshop to launch new projects in a variety of lean topic areas. Your expertise will be appreciated and we trust that you will find your involvement to be personally and professionally rewarding.
